

THE REPUBLIC OF UGANDA

REGULATIONS GOVERNING IMPORTATION OF DOGS AND CATS INTO UGANDA

The following conditions must be fulfilled before importation:

1. The dog/cat must have a rabies vaccination certificate duly signed by a Government Veterinarian of the country of origin not less than fourteen days or not more than one year before movement;
2. The dog/cat must be accompanied by a health certificate, certifying that it is free from infectious or contagious diseases or ectoparasites seven days prior to movement;
3. The dog must be accompanied by valid vaccination certificates for:
 - Infectious Hepatitis
 - Canine Distemper
 - Leptospirosis
 - Parvovirus
4. The cat must be accompanied by valid vaccination certificates for:
 - Feline Panleucopenia
 - Feline Viral Rhinotracheitis
 - Feline Calcivirus
5. The dog/cat must have a valid movement permit;
6. The dog/cat must be conveyed in such a manner that it will not be in contact with other animals or materials of animal origin up to its specified destination in Uganda.
7. A report should be made to the Commissioner for Veterinary Services within seven days of arrival into the country.
